

ONE MILE

Introduction: One Mile is a four-piece band from the Livermore, Tri-Valley area that is focused on vocal-centric, singer-songwriter & pop culture songs from the 60s through today. We insist on re-producing high quality, timeless hits from memorable bands such as *America, Bread, Chicago, The Hollies, Jim Croce, The Eagles, The Beatles, Jason Mraz, The Doobie Brothers* and many more. Our live renditions of enduring classic songs include a wide range of musical genres, paired with complex three-part vocal harmonies and intriguing dynamics that captivate our audiences.

Audience & Performance: One Mile's song list and live performance acts are carefully crafted to appeal to audiences & guests at wine bars, fine restaurants and cafés as well as outdoor concerts & festivals. We typically tailor our intimate performances for a "sit down & watch" audience and /or a dancing experience, venue dependent. Our audiences tend to stay the entire show, as each song takes them on a new time trip.

We Respect & Enhance Your Business: No matter the venue, event or performance, our objective is to complement the business environment with a warm, live music atmosphere while remaining undisruptive to normal business activities. Our sound volume always remains low enough where the audience & staff can still hold conversation. Our goal is to enhance your guests experience, not alter or change the existing business environment.

Regular Events & Venues Played: One Mile has made / makes regular appearances at:

- Blacksmith Square - Patio & Swirl on the Square, Livermore – an indoor / outdoor wine bar & lounge venue
